

## Meatball Parm Holiday Wreath

*The following recipe and photography is courtesy of Lauren Schulte. To see more of her bites and meals, visit her Instagram [@TheBiteSizePantry](#).*

### Ingredients

- 2 packs Heinen's Precooked Italian Meatballs (approx. 16 meatballs or more if you want a fuller looking wreath)
- 16 mozzarella cheese pearls
- 16 cherry tomatoes
- 8-10 sprigs of fresh rosemary
- Brownwood Farms Cherry BBQ or marinara sauce for dipping

### Other Accessories

- Medium-size appetizer toothpicks
- Round serving platter
- Small bowl for dipping sauce

### Instructions

1. Warm the precooked meatballs in a microwave-safe dish until they reach your desired temperature
2. Take an appetizer toothpick and layer a meatball, a cherry tomato and a mozzarella pearl. Repeat this step for all 16 skewers.
3. Place dipping sauce small bowl in the center of your platter and fill with desired dipping sauce. Begin layering the skewers around the center bowl. Tuck them in together or layer on top of one another so the wreath looks full.
4. Add sprigs of fresh rosemary under some of the skewers to achieve the fresh balsam look of a holiday wreath and you're ready to stun your guests with this festive presentation.
